Program Guide 2018

Lake Springfield Christian Assembly

For more almost 80 years...

Lake Springfield Christian Assembly has been providing quality Christian camp experiences for youth and adults in central Illinois. The goal has always been "to see people of all ages make life changing decisions to be more like Christ". This is accomplished by providing a safe place, Christ centered mentors and programming and lots of fun activities, all focused on teaching the campers about Christ.

Introductory Camps
 For our youngest campers and future campers we have 2 types of introductory programs. For pre-K and K campers, we invite them to Hello Camp 1 and 2. They get to bring an adult, experience 3 hours of camp, and they get a t-shirt. For campers going into 1st grade, we invited them to Day Camp, a full 8 hours of camp, independent from their adults.

Discovery Camps 1-7
 Discovery Camps will run each week Monday thru Friday (except the week of July 4). This is for 2nd thru 4th grade campers. Each day will run from 8:30am to 5pm—no overnight stay. Campers are invited to attend multiple weeks. Campers bring a sack lunch and have a great week discovering God and His creation and new friends. This camp will take place at LSCA's Lakeview Lodge. Each camper will get a t-shirt. This is a great option for parents looking for something for their camper to do all summer long.

Traditional Overnight Camp
 Traditional overnight camp started at LSCA in 1939. These camps get longer as the campers get older. These include: 1st Chance, Trailblazers, Explorers, Juniors, Junior High, Niners and High School Camp. With the exception of 1st Chance camp, which will begin at 9am on its start day, the rest of these camps will begin with a 3pm check in on their start day. All of the camps will end at 4pm on their last day. At 4pm, there might be a short closing program and baptisms, etc. Each of these camps is designed for your camper to learn and grow and thrive. Campers will stay in air-conditioned dorms. They will also have multiple snack times each day called Canteen.

- REGISTRATION REMINDERS:**
- Youth campers attend based on their grade in the Fall of 2018
 - Please only register campers for whom you are the legal guardian. Youth campers cannot be registered under your account, unless you are the parent /legal guardian.
 - Limited financial assistance is available. You will be prompted to apply (if necessary) during the registration process.
 - Canteen time is snack time. Canteen cards are pre-purchased "punch" cards. The campers will have the opportunity to use their punches on various drinks and snacks at the designated times. If they choose not to, every unused "punch" is considered an \$.80 donation to the summer resident missionary.

Adventure Camps
 These are perfect for the camper who loves to be outside and enjoys a smaller crowd. These will all be on the far north end of camp at Cypress Cove. Drop off and pick up will be at the Cypress Cove location. Most campers can count on sleeping in tents (provided by LSCA), enjoying time around the fire, and learning about God and His creation. There is a Fishing Camp for boys, (they stay in the dorm, not tents). There is also Adventure Camp 5-6 and Adventure Camp 7-8 for boys and girls as well as a Land & Sea Adventure for girls in 7th—9th that will stay in tents. And new this year, Archery Camp: this is a week-long, day time, instruction filled, archery adventure. 8:30am to 5pm daily, the campers will learn archery and hone their skills... novice to experienced. Each day the archers will meet at Cypress Cove. Some of these sessions have canteen cards (snack punch cards). Some have snacks included.

Wilderness Camps
 LSCA partners with Discovery Ministries in Eminence, MO to provide a real wilderness experience for the High School trip. These campers will take a trip in the Ozark Mountain area. This could include paddling, backpacking, caving and climbing. College age / Young Adult campers will enjoy a canoe trip in the Boundary Waters in Northern Minnesota as we partner with Coldwater Foundations. Both outfitting ministries provide guides, expertise and all the necessary gear! Fees include travel and meals.

ADULT or FAMILY EVENTS
 These are events that differ from the regular camp structure or schedule. This year, for the first time, we will host an ADULT ALUMNI HOMECOMING for former campers and their spouses. We know that life is busy, we invite you to take part in this event, slow down for a minute, have fun and be encouraged in your faith!
 We also look forward to another FAMILY ARCHERY DAY in August. This event is for all ages and skill levels. It will run from 8:30a-5:00p and includes: 3 meals, Archery Instruction, Fun workshops, Free time recreation, 3-D tournament & dinner at Panther Creek Bow Hunter Club.
 On Thursday, September 13, we will have our annual (and much loved) SENIORS' DAY OUT! Mark your calendars and watch for more information about this event. It is LSCA's biggest event every year.

Medical Professionals are on the grounds at all times during youth camps to dispense all meds (OTC and Rx) and provide first aid as necessary.
