

Prayer Guide

15 Minutes of Prayer for LSCA

As we pray for Lake Springfield Christian Assembly (LSCA) let us remember Hebrews 13:8 that Jesus Christ is the same yesterday, today, and forever. We are so grateful for all the things God has done in and through LSCA's ministry, for all that He's currently doing now, and for all the ways we know and trust He will continue to move in and through this ministry in the future. Let's pray!

Let's give thanks for all that God has done:

- For 80 years of ministry and the countless number of people during those years who have been able to encounter Christ on LSCA's grounds.
- for all the people who have invested their time and energy into LSCA through those 80 years to help sustain and grow LSCA's ministry (volunteers, board members, staff members, donors).

Let's ask God to be present in and help LSCA meet its current needs:

- For the Executive and General Boards and the camp staff to have wisdom beyond their experience as they make decisions pertaining to LSCA.
- A complete 2020 summer staff team (still looking for: male discovery camp counselors, lifeguard, assistant cook, and program/media assistant). Pray for unity and cohesion among the team that forms, for health, and for these young adults dedicating their summer to service to also grow closer in their relationships with God themselves.
- Pray for generous and compassionate hearts to come alongside LSCA to aid us financially as we do our best to keep camp costs low, provide scholarship assistance, and maintain quality buildings and facilities.
- Pray for a smooth transition for Gale as he begins his next chapter in Florida.
- Pray for summer 2020.. Pray for camper registrations to pour in (we are praying for 1000 campers this summer!) pray for them to experience God's love, acknowledge Christ as their savior, and to leave our grounds more excited and equipped to serve in the Kingdom.
- Pray for our deans as they prepare their summer programs.
- Pray for all our volunteer needs to be met.
- For the safety of everyone who sets foot on these grounds: safe from harm in any way, safe from sickness, safe... physically, spiritually, emotionally, mentally.

Let's believe and trust in God to do it all again and guide LSCA as we continue on in ministry in the years to come:

- Wisdom in how to use empty spaces (old boys dorm, cypress cove)
- Our facilities to last and not experience major harm or damage
- Continued wisdom and creativity in program development for summer programs, retreats, and community events.
- Pray for us to continue being a place where people in our community can find rest and come to encounter Christ.
- Resources to continue in order to maintain camp.
- For all those who step onto our grounds to experience the goodness of God and to leave changed and ready to spread that goodness to the ends of the earth.
